LET THE EVENING BE GIN!

The G&T

The fashionable crowd-pleaser of the moment, a drink steeped in Indian history.

The story: British East India Company. Early 19th century, quinine was used daily to tackle malaria, one of India's troubles. However, it was bitter to taste & before long it was being mixed with sugar, lime & water for the easier drinking, & a slug of gin just to up the enjoyment thus the gin & tonic was born and lives on to this day.
